## Anesthesiologist opportunities

For over a century, Geisinger has provided cutting-edge medical care to our friends and neighbors in northeastern and central Pennsylvania. From Level I and II trauma centers to critical access hospitals and ambulatory surgery clinics, we treat a variety of cases including transplants, pediatrics, cardiac, and more.

Geisinger is currently hiring new graduates, experienced, and fellowship-trained Anesthesiologists. There are also opportunities to join our subspecialty teams in cardiac, pediatric and transplant anesthesiology.

Location options are spread across central and northeastern Pennsylvania, including Danville, Wilkes-Barre, Scranton, State College, and Lewistown.

- Excellent and flexible new schedule with 12 weeks away from work each year
- Full-time, part-time, and per diem opportunities
- Comprehensive benefits including 403(b) and 457(b) retirement plans, competitive CME allowances, health/dental/vision, and malpractice with tail
- Recruitment bonuses, medical school loan repayment, educational subsidies, and relocation assistance
- Opportunities to teach and mentor with our anesthesiology residency, medical students from the Geisinger Commonwealth School of Medicine and SRNAs
- Research opportunities
- Opportunities for internationally trained candidates; H1B candidates welcome to apply
